

UPGRADE A PACER ACCOUNT

CM/ECF Requires an upgraded PACER account. If your PACER account was created before August 10, 2014, and has not been upgraded already, the first step is to upgrade your legacy PACER account to an “Upgraded” PACER account. NOTE: your PACER account must be an individual PACER account. It cannot be a firm account or shared with another person. If any of the following is true, you already have an upgraded PACER account and no action is required to upgrade your PACER account:

- 1) You upgraded your individual PACER account for another NextGen court.
- 2) You created your individual PACER account after August 10, 2014.

If none of the above is true, you must upgrade your legacy PACER account before you will be able to e-file with this Court.

UPGRADE INSTRUCTIONS

Your upgraded PACER account will have new security features, including self-service login retrieval and password reset. These features require you to add the following information to the account: a valid email address, a security question and answer, and your date of birth.

To upgrade your current PACER account, go to the [PACER Service home page](#) and click **Manage My Account** at the top center of the page.

The screenshot shows the PACER Service home page. The header includes the PACER logo and the text "Public Access to Court Electronic Records". Below the header is a navigation bar with links: "Register for an Account", "Find a Case", "File a Case", "My Account & Billing", "Pricing", "Help", and a search bar. The main content area is titled "What can we help you accomplish?" and features four columns of service tiles. The third column, which is highlighted with a red background, contains a vertical stack of links: "Manage Your Account", "Register for an Account", "Manage My Account Login", "Billing", and "Forgot Username or Password?". A red arrow points from the top right of the page to the "Manage My Account Login" link. The other three columns are white with blue icons and text: "Search for a Case" (scales icon), "Filing Electronically" (document icon), and "Move to NextGen CM/ECF" (info icon).

The **Upgrade Complete** dialog box opens to confirm that your account has been upgraded.

After your PACER account is upgraded, the next step is to register for an e-filer account with the Fourth Circuit. If you were previously an e-filer with this Court, that new registration will be matched with your current e-filer account.
