PRO SE REGISTRATION FORM For the Electronic Case Filing System (CM/ECF)

What You're Agreeing to:

- **No more filing in person or by mail.** You'll submit all documents online through the court's CM/ECF system.
- **No more paper mail.** Once you sign up, you waive your right to receive service of documents by first class mail. See [District of Montana Local Rule 1.4\(b\)\(3\)](#). The court will no longer mail documents to you. Everything comes by email instead.
- **You get one free look per document.** You will be sent a Notice of Electronic Filing via e-mail, you can click the hyperlinked document number in the email to view the document for free — but only once. That “free look” link expires after 15 days.
- **After the free look, there's a small fee.** To view documents again after the free look, the document can only be accessed through PACER (Public Access to Court Electronic Records). PACER is an automated system that allows an individual to view, print, and download documents for a nominal fee. It is required that you establish a **PACER account**, by visiting the [PACER website](#). See What To Do Next below.
- **You must follow court rules.** You are responsible for familiarizing yourself with and following the court's filing rules (the [Federal Rules of Civil Procedure](#), the [Local Rules](#), and the [CM/ECF User's Guide to Electronic Filing](#)). The Clerk of Court reserves the right to revoke or suspend the electronic filing privilege of any electronic filer who varies from these procedures.
