Statistics Request Overall Description

On September 28, 2021, a request was received by Research and Statistics for the frequency of Kentucky grand jury indictments, with the percentage of cases that result in indictments.

While we are not able to provide the total number of cases presented to the Grand Jury due to our tracking process, we are able to provide cases disposed with specific Grand Jury charge disposition types.

CourtNet, which provides a summary of cases statewide, was queried for two sets of cases disposed between 1/1/2022-12/31/2024:

- District Felony cases disposed by disposition category.
- District Misdemeanor and Traffic cases disposed and include at least one charge at the Felony/Misdemeanor level and contain charge(s) with the grand jury disposition types as defined in the Grand Jury Disposition Categories listed below.

Grand Jury Disposition Categories:

Indicted to Circuit: Cases with any charge disposition type is Indicted (IND) or Remanded (REM).

Pending Grand Jury: Cases with any charge disposition type is Grand Jury (GDJ) or Grand Jury – Juvenile (JGDJ).

Grand Jury-Dismiss/NTB/No Action/Hung: Cases with any charge disposition type is Dismiss after present to Grand Jury (DGJ), No True Bill Returned by Grand Jury (NTB), Hung Jury (HNG) or No Action Taken by Grand Jury (NGJ).

Factors which affect the overall frequency of Kentucky grand jury indictments:

- The frequency of indictments depends on factors such as the volume of criminal cases presented to the grand jury, the severity of alleged offenses, and prosecutorial decisions.
- **Note:** Not all felony charges proceed through grand jury indictment. Defendants may waive their right to a grand jury proceeding, opting to proceed directly to circuit court. There is not a method to query for these instances.

DISTRICT FELONY, MISDEMEANOR AND TRAFFIC CASE DISPOSED WITH GRAND JURY DISPOSITION TYPES CALENDAR YEARS 2022-2024 STATEWIDE

- Unable to account for cases in the instances where the Misdemeanor/Traffic cases was originally indicted and then sent back to district court to be heard, then received a final disposition.
- Added charges do not need to be considered for this report. As such, the query excludes AOC Offense Categories: Added Charges, Created for Admin. Purpose, Fugitive, Behavioral Health Developmental & Intellectual Disabilities, Other/Miscellaneous.
- Excludes charges with no charge disposition type: FTA/FTV charges have been removed as well as those charges no longer FTA/FTV that are currently pending.
- Excludes case with charges all transferred to another county, charge disposition type (TRF).

Statistical Tables 21_RS3118

This report provides the frequency during the requested timeframe January 1, 2020 – December 31, 2024, sorted by year of case disposition.

Page 1: Provides a cross table containing the percentage of cases and count of cases disposed which contain a grand jury disposition type by year and Grand Jury Disposition Category. The figure provides the same information in a visual format.

Statistical Analysis Considerations:

- The data provided is a snapshot in time as of April 1, 2025.
- Counts of cases do not necessarily represent counts of unique individuals.
